The Family Health Clinic is a community-based, full service primary care medical facility offering a patient centered medical home for the entire family. Everyone is welcome to become a patient at one of our four community based clinics located in Burlington, Delphi, Monon or Wolcott. The clinic DOES accept all insurance types, but also welcomes those without health insurance. Spanish translation is available at all times.

The Family Health Clinic offers: routine medical care, physical exams, disease management, immunizations, laboratory testing, mental health management, pediatric care, women's health, adult care, family care, expanded office hours, health education, individualized health promotion, health and wellness programs, twenty-four hour call service. The Family Health Clinic is not an urgent care facility and does not offer emergency care for chest pain, bleeding, premature labor or trauma. For emergencies call 911 or visit your nearest emergency room.

Facebook: @Heartford House

Heartford House is a Child Advocacy Center that is designed with alleged victims and families in mind. Our goal is to help reduce the secondary stress that can be associated with an interview. We provide victim advocacy services to child victims to crimes. This may include protective orders, medical referrals, mental health resources, and support.

Services that Heartford House provides are:

- Forensic interview as requested by law enforcement or Department of Child Services.
- Assistance completing Victim Compensation paperwork.
- Stewards of Children: This program is a two hour workshop designed to educate adults on how to prevent, recognize and react to the reality of child sexual abuse.
